COAL FAMINE NOW FACED BY OHIOANS

Fuel Supply Is Declared to Be Short and Little in Sight for Cold Weather.

One Dealer Finds Single Operator Out of 75 Who Offers to Sell at Government Price.

By Associated Press Dispatch.

Columbus, O., September 6.—Ohio is on the verge of a coal famine, according to reports received today by Attorney General McGee and the Public Utilities Commission.

From many parts of the state information is received that coal on hands is about exhausted and that it is practically impossible to get a new supply.

Coal men declare that the federal order directing the shipment of coal to the northwest is responsible for the shortage. A prominent Hamilton county dealer today informed the Attorney General that he had sent letters to 75 operators asking for coal at the new prices set by the Government and had found only one operator who was willing to sell on such terms.

after the socialist conference here, has been abandoned because of the great difficulties the delegates met who came here, through trouble in obtaining passports.

CHINESE WILL USE VESSELS

(Associated Press Cable.)

Peking, China, Sept. 6.—The offer of the allied governments to purchase or charter German ships which were seized by the Chinese at the time of the rupture of relations between Germany and China has been declined by the government.

The ships are being turned over to a Chinese Syndicate for the purpose of augmenting China's merchant marine.

FRANCE IS FIRM

(Associated Press Cable.)

Paris, September 6.—France will not compromise on the question of recovery of Alsace and Lorraine, Premier Ribot declared today in an address delivered in connection with the celebration of the anniversary of the battle of the Marne.

He said France would not consent to diplomatic discussion as to whether the provinces should be restored.

CHINESE AND JAPS TO ASSIST

15,000 Chinese Troops and Un-named Number of Japanese Troops May Aid Russians

By Associated Press Dispatch.

San Francisco, Sept. 6.—The 24th Chinese Army Corps composed of 15,000 picked troops from the northern provinces is being mobilized in a Chinese city for immediate departure to Europe, according to a cablegram received here by the Chinese Daily World from its correspondent in Shanghai.

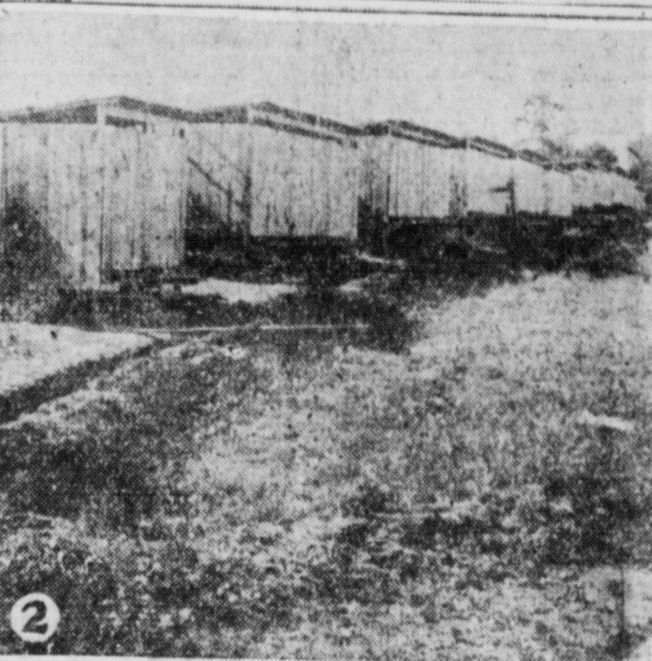

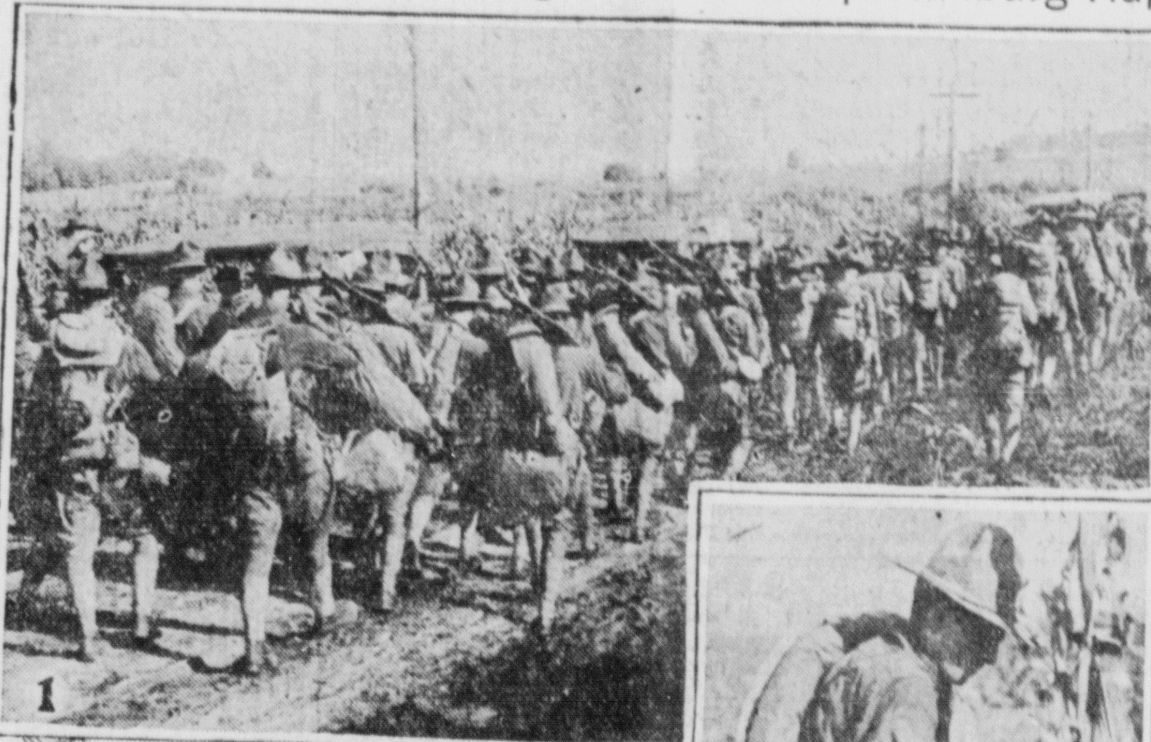

The dispatch indicated that the troops would be taken through Siberia to the eastern front. The message hinted that gaps in the Russian army would be filled by Japanese troops. The 24th Corps was said to include several companies of engineers commanded by Chinese graduates from American colleges.

Prospect of Getting to France Soon Now
Is Making the Men at Spartanburg Happy

The news that there was to be only a short halt along the route from Broadway to France, that there was to be no long period of tedious "home" training here, brought forth much enthusiasm among the men of the Twenty-second New York engineers and the headquarters troop, the only units now at Spartanburg, S. C. There were impromptu celebrations throughout Camp Wadsworth, and a big detachment of the engineers, seeing the sights of Spartanburg gathered in the city's largest square and shouted till hoarse, "Three cheers for Spartan-

burg, but oh, you France.

For the enlisted men the departure talk has reached the stage where they are already discussing the best way to "do" Paris on furlough. The officers, however, are still preserving an official ignorance of the time of leaving.

The news was unknown to the enlisted men, and it was only when a local afternoon newspaper began to circulate through the camp that the jubilation began. Work on a hundred jobs was abandoned, men pelted one another with the nearest thing handy—

generally torn up cotton bushes—and as for cheers everybody got them. They whooped for Wilson, Tommy Atkins, General O'Ryan and Colonel Vanderbilt and groaned in impressively long drawn out choruses for "Kaiser Bill and the Huns." Then, as the first exuberance wore off, they plunged back to their work in hand.

Scenes at Camp Wadsworth are shown in the accompanying pictures: No. 1, engineers going into camp; No. 2, shower baths for the men at Camp Wadsworth; No. 3, becoming acquainted with southern corn.

200 NEW OHIO OFFICERS ARE SENT TO CAMP SHERIDAN AT MONTGOMERY, ALA.

New Conscripts Will Be Put to Work About Camp and Allowed to Return Home Frequently.

By Associated Press Dispatch.

Chillicothe, O., September 6.—Unexpected orders were received at Camp Sherman here today detailing 200 officers from the National Army camp here to Camp Sheridan, the Ohio National Guard camp at Montgomery, Ala.

Three First Lieutenants and the rest Second Lieutenants, will proceed immediately, many leaving today.

Virtually all of the men sent to Montgomery are graduates of the Ft. Benjamin Harrison training camp and are Ohio men.

Approximately 200 officers first were ordered last Tuesday to go to Hattiesburg, Miss., but the order was recalled a few hours before time to depart.

The men who were selected to go to Hattiesburg are not the officers who will be sent to Montgomery.

Contingents which arrived yesterday and today will not immediately get into the war game as men are needed for handling freight and other

camp business and they will be assigned to this work.

Men who get home sick and despondent may be permitted to visit home briefly for the psychological effect.

Officers view the conscript much different from the regular army and believe that a degree of leniency will get results that stringent military practices might not.

JAP MISSION GETS BUSY

By Associated Press Dispatch.

Washington, September 6.—Formal conferences with the Japanese mission began today when Secretary Lansing received Viscount Ishii, the head of the mission. Neither the Japanese or the Secretary of State has indicated the exact character or the subject that will be discussed.

The supplying to Japan of steel to be given early consideration it is said. That question and others affecting Japan's economic and industrial position probably will be the main point at issue.

FRENCH CHIEF INSPECTS CAMP

(Associated Press Cable.)

Paris, September 6.—President Poincare, the French Secretary of War, and General Petain, the French commander-in-chief, visited the headquarters of the American army today.

They were received by General Pershing with whom they inspected the camp.

CONFERENCE WILL ADJOURN

By Associated Press Dispatch.

Indianapolis, September 6.—Indications shortly before the convention here today of the joint conference of bituminous coal mine owners and officials of the United Mine Workers of America called by the miners' officers for the purpose of demanding an increase in wages, were that the conference would adjourn without action to meet in Washington within a few days.

GERMAN FLEET IS MENACING RUSSIA

CONSCRIPTS ARE AT WORK

By Associated Press Dispatch.

Chillicothe, O., September 6.—Three hundred and sixty conscripts who arrived at Camp Sherman yesterday were today placed to work unloading cars containing uniforms and other paraphernalia for Ohio's new draft army. Hundreds of additional men are arriving today.

200 MEXICANS ARE DROWNED DURING NIGHT

Barge Containing 200 Soldiers Is Captured By Heavy Sea on Gulf of California.

By Associated Press Dispatch.

Los Angeles, Cal. Sept. 6.—According to a telegram received here, 200 Mexican soldiers were drowned last night in the Gulf of California as the result of a sinking Mexican vessel.

According to the meager advices received the soldiers were from the Guaymas garrison and were being transported by a barge with a number of horses and military equipment from Point Isabella to LaBolsa Sonora. The barge was in tow of a government tug.

A sudden squall is said to have captured the barge which was reported to be one of the number originally constructed for river work and unsuitable in a running sea.

Carranza officials at the border points disclaimed any information of the disaster but stated it was probably a correct report.

MAYOR SUED FOR \$10,000

By Associated Press Dispatch.

Wilmington, O., September 6.—William Marshall today filed suit against Mayor R. W. Lucky, asking \$10,000 for alleged false imprisonment. Marshall claims to have been wrongly imprisoned for three hours.

NO SECOND PEACE NOTE

(Associated Press Cable.)

Copenhagen, September 6.—A dispatch from Lugano, Switzerland, to the Vossische Zeitung, of Berlin, says it has been learned from a clerical source that the report that Pope Benedict is preparing a second peace note is incorrect.

Deep Concern is Felt For Safety of Russian Fleet in Baltic

Italians Continue to Gain in the Face of Heavy Concentration of Austrians.

By Associated Press Dispatch.

With the appearance of a German fleet in the Gulf of Riga the difficulties of the problem facing the Russians on the operation of their northern front are increased.

Not only is the safety of the armies concerned, but apprehensions are excited as to what will happen to the Russian fleet if the German naval forces are given full swing in the Baltic.

As to actual operations against the Russian fleet it does not appear to be expected that they will develop until the land campaign has progressed further and it is seen what success the Russians will have in their effort to make a stand on a new line.

On the 40 mile front of the Russian line the Germans are pushing their advantage and have as yet met with no effective resistance. It is declared, however, that the Russian retreat is by no means a rout.

The Italian campaign for Trieste is being vigorously pushed. In the face of vast concentration of Austrian infantry and artillery, General Cadorna continues to report progress.

Petrograd, September 6.—It is semi-officially announced that a German fleet has appeared in the Gulf of Riga.

GOVERNMENT TO USE THE MAILED FIST

Disloyalty Will Be Sought Out Vigorously From Now Onward and Punishment Inflicted.

By Associated Press Dispatch.

Washington, September 6.—Wide seizure by the government of documents of the I. W. W. was said to be but one step in the vigorous campaign which the Department of Justice is prepared to conduct against disloyalty wherever it shows itself.

While the I. W. W. is perhaps the largest single organization which will engage attention from now on other organizations and individuals whose utterances and activities have given ground for suspicion of disloyalty will be under strict surveillance and more drastic measures will be pursued in dealing with them.

For months the government has been collecting a tremendous amount of evidence which will be utilized in connection with yesterday's seizure of I. W. W. papers and other prosecutions are contemplated in the near future.

Brighten Up the Flags

There are quite a number of flags in Washington that show the effect of the weather. The colors have become dim from constant exposure to sun and wind. The white has become dulled by the smoke and dust.

Some of our patriotic folks have not thought, perhaps, how much more inspiring old glory is when the colors are bright and clear than when dulled by age and exposure.

When the flag with the colors bright and distinct with the pure white stripes and the snow white stars on the field of blue, is caught up by the wind it cheers and inspires every one who sees it.

We don't want our flag to look somber and pale—that's not old glory—it's the blending of the colors and the brightness of it all that appeals.

Old Glory hasn't a dark spot in its history—its record is bright and clean and every flag that floats should correspond with that record.

Let's all brighten up the flags. We have been busy with the big work of the nation—lots of it—but a few minutes spent unfurling a new flag would be worth while.

The Chicago Meeting

William Hale Thompson now holding the title of Mayor of Chicago, the nation's second largest city gave added evidence Saturday of his unfitness to be entrusted by the people with any position.

Mayor Thompson is sadly out of line with the policy of the United States and is, in conduct, an enemy of his country.

The foolish men who traveled about from city to city and from state to state to hold a so called pacifist convention were but poorly disguised allies of Prussian junkerdom.

Honest pacifists have a right to be heard at the proper time and in the proper place but now is not the time to preach pacifism. The nation is at war—the people through the only legally constituted authorities have declared that a state of war exists with Germany, that the nation's sacred institutions are in danger and must be defended and the men who seek to go counter to that expressed intention of the government and incite opposition to the acts of Congress are guilty of treason. It is not possible that men can be guilty of obstructing, encouraging and exhorting in public meetings, others to defy the nation's duly constituted authorities with honest motives. Honest conscientious pacifists are not preaching riot and rebellion—they are assisting in the work which the nation has undertaken.

The Chicago meeting, however, even with Mayor Thompson, as an added attraction, was a complete fizzle and, perhaps, should not be dignified to by too serious consideration.

Mayor Thompson, though, has evidenced his evil intentions and it might be well for him to be shorn of his power before he succeeds in committing some treasonable act which might be serious in its results.

Let Us Have Peace

Perhaps some of us are a little old fashioned and slow going, perhaps state laws and city ordinances are not passed with the intention of having them enforced, perhaps that's the new way but it does seem, looking at it from an old time viewpoint, that something should be done by the authorities to stop the hideous noise made by the open "cut out" on automobiles.

Business sections and residential districts are a bedlam of noise, day and night, on account of the constant wheezing and chugging of automobile motors in various conditions. Drivers seem to take a special, sometimes a fiendish, delight in opening the muffler and making all the noise possible. Broken down machines are backed out in the street and the repair men proceed to open up a miniature pandemonium on their own account to add to the general din.

Really the state legislature and the city council were ridiculous in attempting to provide against the very plague which has descended upon us or the authorities are exceedingly derelict in their duties in not enforcing the laws and ordinances.

Something must be done soon or people will be obliged to move out into the remote country sections to transact business and to live in a place where they can hear each other talk.

If it is at all possible the people of Washington would like to have a little peace. Why can't drivers operate an automobile engine and be mindful that there are a few other people in the world besides themselves.

Poetry For Today

A MESSAGE OF GOOD CHEER.
 They do me wrong who say I come
 no more,
 When once I knock and fail to find
 you in;
 For every day I stand outside your
 door
 And bid you wake and rise to fight
 and win.
 Wait not for precious chances passed
 away;
 Weep not for golden ages on the
 wane;
 Each night I burn the records of the
 day.
 At sunrise every soul is born again.
 Laugh like a boy at splendors that
 have sped;
 To banished joys be blind and deaf
 and dumb;
 My judgments seal the dead past with
 its dead,
 But never bind a moment yet to
 come.
 Though deep in mire, wring not your
 hands and weep;
 I lend my hand to all who say "I
 can."
 No shame-faced outcast ever sank so
 deep,
 But yet might rise and be again a
 man.
 Dost thou behold thy lost youth, all
 aghast?
 Dost reel from righteous retribu-
 tion's blow?
 Then turn from blotted archives of
 the past
 And find the future's pages white
 as snow.
 Art thou a mourner? Rouse thee from
 thy spell;
 Art thou a sinner? Sins may be
 forgiven;
 Each morning gives thee wings to
 flee from hell,
 Each night a star to guide thy feet
 to heaven.
 —Tit Bits.

FIRST MEN FROM FAYETTE'S QUOTA LEAVE FOR CAMP

Friends Gather at Station to Extend Well Wishes to Four Splendid Men Forming First Part of Fayette's Quota.

Accompanied to the union station by a group of friends, the four young men forming Fayette's first offering to the new national army boarded the train which arrived a short while after two o'clock Thursday afternoon.

There were five coaches and one baggage car and the train was about half full of conscripts. All of the men were in good spirits. On the train were several men known in this city and many Washington people greeted friends aboard the trains. There were about 150 on the train.

As the train pulled into the station the men on board cheered and waved their flags. All seemed pleased over the fact that they were entering Uncle Sam's service.

Washington's quota of four men boarded the train and there was no demonstration. At exactly 2:24 the train pulled out of the Union station.

The first four men to go from this county, by their own request are Robert E. Willis, Orville A. Turner, James W. McDonald and Albert Briggs. Robert Willis was in charge of the men.

ANOTHER FAYETTE FARM CHANGES OWNERSHIP

Mr. D. H. Van Winkle is to the front again reporting another sale of splendid Fayette County real estate.

He has just concluded arrangements by which David H. Long of Bloomingburg becomes the owner of 200 acres of land known as the Harrison land located between Mt. Sterling and Bloomingburg. The price paid is \$125.00 per acre aggregating a total of \$25,000, in round figures.

This makes a total of nearly \$300,000 worth of real estate sold by Mr. Van Winkle during the past six weeks.

TUBERCULAR MAN IS RELEASED ON BOND

Wm. S. Reed, alleged Columbus pickpocket, found to be suffering from tuberculosis, has been released from the county jail on bond furnished by his wife.

DEBATE ON INCOME TAX

By Associated Press Dispatch.
 Washington, September 6.—Senate consideration of the income tax section in the war revenue bill was carried on today following yesterday's rout of the forces advocating higher levies on war excess profits. All of their proposals were defeated.

Debate on the income tax section opened today under an agreement for a final vote tomorrow. High tax senators were ready to make a determined fight for further taxation of incomes. Defeat of all such proposals was seen today by the leaders as a result of Senate action on war profits tax.

WAR MEASURE WILL PASS

By Associated Press Dispatch.
 Washington, September 6.—The war bond and certificate bill was again under debate today in the House with continuance of Republican attacks on certain features of the measure.

Their opposition to the provision delegating wide authority to the Secretary of the Treasury in making loans to the Allies prevented final action on the bill yesterday. Its passage without a material amendment by tonight seems assured, however.

Are your clothes faded? Then use Red Cross Ball Blue; makes them look like new. All grocers.

HOW TO DRY APPLES

Use winter apples, not the early or sweet varieties.
 Pare, core and cut into eights. Or core and slice in rings, using fruit or vegetable slicer.
 Do not let them stand long before drying.
 To prevent discoloration, dip fruit, as it is prepared, for 1 minute in a cold salt bath (1 ounce of salt to 1 gallon of water.)
 Remove surplus moisture by placing fruit between towels, or by exposing to the sun and air.
 Spread thinly on trays or earthenware plates.
 Dry in sun, in oven, over the kitchen stove, or before the electric fan, until the apples are tough and somewhat leathery.
 Stir from time to time.
 Don't miss any step.

Always use the best; that's Red Cross Ball Blue. All leading grocers sell it, 5 cents.

Social Circles

Families of Greenfield Wednesday at one o'clock. Miss Marjorie Dean daughter of Mrs. Edward G. became the bride of Mr. Donald Schofield McLean, younger son of Mr. and Mrs. Edward Lee McLean. Owing to a recent bereavement in the bride's family the wedding, solemnized at the home of her mother was a quiet affair. There were no attendants and no music.

Rev. Freeley Rohrer, of the Presbyterian Church, officiated, using the ring ceremony.

Seated with the bride and bridegroom for a luncheon following the ceremony were the bride's mother, the bridegroom's parents, grandfather, Mr. E. H. Miller, Mr. and Mrs. Robert Simmington Young (nee Helen McLean) of New York city; Mr. and Mrs. D. A. Miller; Mrs. William McCafferty, of Cartersville, Ga., an aunt of the bridegroom; Rev. and Mrs. Rohrer, Miss Clara Young and Mr. Wilson Miller.

The bride wore a traveling gown of beige.

Mr. and Mrs. McLean left by auto for Columbus, not giving out plans for the itinerary of their wedding trip.

After October the first they will be at home in Cartersville, Ga., where Mr. McLean will assume the management of the American Pad and Textile Co. plant owned by his father in that city.

An interesting wedding took place at the home of Mr. and Mrs. Jess Dailey Wednesday evening at 7 o'clock when Mrs. Samantha Russell, of St. Louis, Mo., was united in marriage with Mr. Spencer S. Coburn, of Dayton, Ohio. The ceremony was performed by Rev. John L. Dalbey.

The bride was attired in an attractive gray silk embroidered in gold thread. Following the ceremony an elaborate wedding dinner was admirably served.

A number of delightful musical numbers were greatly enjoyed by the score of guests present.

Mrs. Coburn was formerly Miss Springer, sister of Mrs. Jess Dailey. Mr. and Mrs. Coburn will make their home in Washington.

The Woman's Foreign Missionary Society of Grace M. E. Church held the September meeting at the home of Mrs. W. W. Davies on Wednesday afternoon.

There was no program owing to the holding of the annual election of officers, mite box opening and business.

The officers for the year are as follows:

Mrs. Alice Adams, President; Mrs. Frank Kennedy, 1st Vice; Mrs. C. S. Haver, 2nd Vice; Mrs. W. W. Davies, 3rd Vice; Mrs. Chas. Stafford, 4th Vice; Miss Fannie McLean, Cor. Secy.; Miss Josephine Porter, Rec. Secy.; Mrs. Scott Hopkins, Treas.; Mrs. Fannie Hodson, Supt. of Young People's Mission Work.

There was a good attendance and a great deal of interest manifested in the work for the coming year—at the close Rev. Cherrington gave a fine talk which was appreciated very much.

During the social hour refreshments were served.

The W. C. T. U. will hold a special social session Friday afternoon at 2:30 at the home of Mrs. J. W. Willis.

The younger mothers are especially invited. A very interesting program has been arranged; Mrs. Clarence Craig a paper on, "The Value of Play"; Mrs. Morna Chapman, "Methods of Discipline"; Miss Ethel Spray, "Story Telling."

Special violin music and a social hour will follow.

The C. W. B. M. society of the Christian Church met Wednesday afternoon at the home of Mrs. Jennie Mark on East Temple Street.

After a short business session, the following program was rendered: Paper "Latin America," Mrs. C. O. Deere; a poem "Help Those Women," Mrs. H. L. Spray; questions and answers from the "Missionary Tidings" conducted by the President, Mrs. Nellie Blackmore.

A social hour followed with dainty refreshments served by the hostess and assisted by Mesdames Patton and Spray.

Mr. and Mrs. H. C. Ireland entertained with a delightful family dinner Wednesday in honor of Miss Dorothy Saxton, a bride of this week.

Asters shading from deep purple to lavender formed the central adornment of the pretty table. The guests were Mrs. T. M. Saxton and daughter Miss Dorothy; Dr. and Mrs. W. E. Ireland; Mrs. J. W. Hughey; Mr. Fred M. Mark and family; Mr. Harold Inskip and family.

NOT GOING SOUTH

Lieutenant T. H. Craig will remain at Camp Sherman for the present instead of leaving at once for a southern camp. A change in the order as telegraphed from Washington after the officers were on the train ready to start retained 200 lieutenants in Chillicothe.

PERSONALS

The following clipping from the Dayton Journal will be of interest to the many Washington friends of Mrs. VanDeman: "Mrs. J. N. VanDeman, of Salem avenue, has gone to Urbana, Ill., where she will spend the winter at the University of Illinois as one of the chaperones of the school. ANNUAL PICNIC NETS SNUG SUM FOR S. S. WORK

Large Crowd Attends Annual Event at Madison Mills, Wednesday, and \$200 Is Cleared for M. E. Sunday School—Committee Praised.

The M. E. Sunday School of Madison Mills holds an annual picnic that is par excellence the big affair of the season.

It was held this year Wednesday in the grove by the M. E. township house and if any picnic of the future beats this one it will certainly have to make a great record. An immense crowd gathered and the afternoon was one of hilarious excitement, everybody having a royal good time.

It was also a big financial success clearing two hundred dollars for the school.

Of course the chief feature of the day was the auction. For two weeks the picnic promoters, Supt. E. A. Parrett, Messrs. J. E. Hopkins, J. W. Hopkins and Glenn McCoy had been busy canvassing and there had been generous response in donations.

It was hard to think of anything not put up—calves, pigs, sheep, chickens, geese, canned fruits, domestic articles and donations from local stores—all manner of novelties and under the spell of Col. Maynard Eckle's fluent crying of the auction everything went at a high price. Mr. Leo Katz, who annually takes a personal interest, had taken out a dress suit and high hat for the auctioneer and when donned by Col. Eckels that added to the merriment.

Then Mr. Katz started a "popularity contest" among the men, which brought in \$11.00. Supt. E. A. Parrett was an easy winner in the contest.

The fish fry, in charge of Glenn McCoy, the watermelon and home made candy stands in charge of the Boys' and Girls' Sunday School classes were big attractions. Rev. Laughlin assisted the committee in charge.

GROWING MISUSE OF RED CROSS MUST CEASE IMMEDIATELY

Because of the growing misuse of the Red Cross emblem commercially, the American Red Cross has just issued a new warning to those who may be violating the law regarding it. While much of this misuse of the emblem is unintentional and through excessive zeal, the National Red Cross can no longer acquiesce in these violations, many of which have been and are of a serious nature.

Under the statute, the Red Cross emblem can only be used by authority. It cannot be used in the manufacture or sale of Red Cross buttons or pins except upon such authorization. Many novelty manufacturing houses and stores, taking advantage of the great increase of popular interest in the Red Cross, as well as the growth in membership to nearly four millions, have put on sale large quantities of Red Cross pins, postcards, and devices. An equally common abuse has been on the covers of patriotic songs and popular magazines.

Provisions of the law are as follows:

"It shall be unlawful for any person, corporation, or association other than The American National Red Cross and its duly authorized employees and agents and the Army and Navy sanitary and hospital authorities of the United States, for the purpose of trade or as an advertisement to induce the sale of any article whatsoever or for any business or charitable purpose, to use within the territory of the United States and its exterior possessions, the emblem of the Greek Red Cross on a white ground, or any sign or insignia made or colored in imitation thereof, or of the words, 'Red Cross' or any combination of these words."

OSCAR MOORE IS STABBED IN BACK

While in the act of arresting Ed Jones, in Wilmington, a night or two ago, Night Patrolman Oscar Moore, formerly of this city, was stabbed in the back before he disarmed the man and subdued him.

Jones was sentenced to a long term in the workhouse for another offense, and when released will face the more serious charge placed against him by Officer Moore.

Moore is recovering from the wound, which is not thought to be of a serious nature.

GOVERNMENT RAIDS I. W. W. AND SOCIALISTS' QUARTERS

(By American Press)

Washington, Sept. 6.—The federal government has conducted raids on Industrial Workers of the World quarters in different parts of the country as the first step in a campaign to curtail activities of this organization.

Prosecution of agitators who appear to be in a nation-wide plot to hinder war work will follow.

Papers and records were seized at I. W. W. headquarters in several cities. Despite the announcement of the officers that "no arrests would be made," Secretary Haywood was taken from the I. W. W. building at Chicago by two operatives. Raids also were made at Superior, Wis.; Denver, Colo.; Seattle, Wash.; Portland, Ore., and other places.

At Cleveland federal officers raided three buildings, including I. W. W. and Socialist headquarters, and seized papers and records. Three men were arrested.

A statement issued by the department of justice announced that the seizure of papers was made in connection with a federal grand jury investigation of the Industrial Workers of the World now proceeding at Chicago.

The department's action was taken on the eve of a report to President Wilson by Chief Justice Cuyler of the supreme court of the District of Columbia, who was designated recently by the president to investigate the labor situation in the west.

It is known that Judge Covington made a special study of the activities of the Industrial Workers of the World. It was shortly after he reached the organization that twenty-seven leaders of the northwest were arrested by Idaho national guardsmen the day before the time set for a general strike in Washington, Oregon, Montana and Idaho.

For many weeks the activities of Industrial Workers of the World leaders have been under close scrutiny of the department's bureau of investigation. These activities have been held to be political and, in some instances, conducted with a view solely to hinder and hamper the government in exercising the full strength in carrying on the war.

Recently it was charged that the I. W. W. ranks of the Industrial Workers of the World were many Austrians, who have been active in stirring up strife intended to hamper American industries, doing work handled by Germans before the United States declared a state of war existing with Germany.

FUNERAL SERVICES OF HANNAH RUTH SMITH

The funeral of Hannah Ruth Smith was conducted Tuesday afternoon at the home of her parents, Mr. and Mrs. Geo. Smith, near Parrett's Station, by Rev. G. E. Groves, Mrs. J. L. Whitlington and Miss Madonna Larrimer sang impressively the songs: "Jesus Lover of My Soul," "My Father First of All," and "My Father Knows."

A large number of floral wreaths and baskets were sent by friends and organizations to which she belonged. Interment was made in the cemetery at Good Hope. The services at the grave were in charge of the Daughters of the American Revolution, of which order she was an honored member.

Hannah Ruth, daughter of George and Ona Smith, was born at Good Hope, Ohio, January 28, 1897 and died at her home near Parrett's Station September 2, 1917, aged 20 years, 7 months and 4 days. With the exception of two years all of her life was spent in Fayette county. Besides her father and mother she is survived by two sisters, Helen and Clarabel, and one brother, Jessie. On the sixth of last April she became sick with the measles. As she did not recover from this disease as rapidly as was to be expected, a careful examination was made and it was found that the dread disease of tuberculosis had gained a firm hold upon her frail body. After a lingering illness of almost five months she finally succumbed to the disease.

About five years ago she united with the Christian Church at Macedonia, in Clinton county. During her stay in Washington C. H. she belonged to the Loyal Daughters Sunday school class and when at home was a faithful member of the Young Ladies' class of the Spring Grove Sunday school.

She made a host of friends wherever she went and was held in the highest esteem by all who met her. She bore her long sickness with the greatest fortitude and patience. When the time of her departure drew near she told her friends that she was ready to go, and approached the hour with peaceful resignation. In disposition she was cheerful and kind and leaves the record of a beautiful life as a treasured heritage to those left behind.

We wish in this way to express our appreciation to our neighbors, friends and to all who have shown us kindness by helping hand, kind word or by sending flowers, during the sickness and after the departure of our GEORGE SMITH AND FAMILY.

While waiting in this city the men jollied each other, cracked jokes about the Kaiser, and appeared more like a holiday crowd than a bunch of men on their way to military camp.

The men were well taken care of at the Cherry, and every fellow had all that he could eat.

Resurfacing work was started Wednesday on the Leesburg pike. The road will be resurfaced with tar and gravel, the top of the road having worn away and left the crushed stone exposed, making it very rough.

The bridge on the Leesburg pike near the McCoy farm will be strengthened in order to allow weight of fifteen tons to pass over it. The large motor truck which is used in resurfacing the road is too heavy to pass over the bridge and in order to guard against an accident the bridge is being strengthened.

EXTENSIVE ROAD WORK UNDER WAY

At the present time extensive road improvement work is under way in Fayette county, and before bad weather sets in some \$80,000 to \$100,000 worth of road improvement work will have been completed during the current year, and miles of roadway will be rebuilt and placed in condition to withstand the wear and tear of years of heavy traffic.

Scores of teams are busy hauling crushed stone and gravel to roads throughout the county, and scrapers, working machinery has been brought into play in order to make the work as effective as possible.

Numerous main highways will be greatly improved during the next two or three weeks, as well as the less frequented roadways.

The "drive" against bad roads is being pushed as rapidly as possible before the farmers are compelled to begin their corn harvest, and County Highway Superintendent Grove and every district or township superintendent of roads is kept busy early and late supervising the work in every part of the county.

36 CONSCRIPTS FROM PENNSYLVANIA ARE FED AT THE CHERRY

Thirty-six Pennsylvania conscripts arrived in this city over the B. & O. Wednesday afternoon enroute to the cantonment camp at Chillicothe. Of the 36 men, 24 were from Butler county and 12 from Washington County, both counties in the western part of Pennsylvania.

The men were a fine looking set of fellows and all appeared to be in good spirits. On the coat of each was fastened a tag on which was the serial number, the name and address of the conscript.

The men were fed at the Cherry Hotel and boarded the evening train for Chillicothe. These conscripts are the first to arrive from Pennsylvania. Most of the young men were well dressed, and a few were "walking fashion-plates," although quite a few bore evidence of being from the poorer classes.

While waiting in this city the men jollied each other, cracked jokes about the Kaiser, and appeared more like a holiday crowd than a bunch of men on their way to military camp.

The men were well taken care of at the Cherry, and every fellow had all that he could eat.

ROAD RESURFACING NOW IS UNDER WAY

"I'll Show You How Corns Peel Off!"

Ever Peel a Banana Skin? That's It! "I should worry about those corns—I just put some 'Gels-it' on." Corns used to peck the world into a frenzy, ending pain, distress, itching toes, tinkering with plaster.

"Gels-it" Puts Your Feet in Clover—It Eats Corns Quickly.

and tape, trying to fix a corn so it wouldn't hurt. But now no one in the world "should worry" because the moment you put "Gels-it" on, it means the end of a corn. There is nothing in the world like "Gels-it"—nothing as sure and certain—nothing that you can count on to take off a corn or callus every time, and without danger. The corn never grows that "Gels-it" will not get. It never irritates the flesh, never makes your toes sore. Just two drops of "Gels-it" and presto! the corn-pain vanishes. Shortly you can peel the corn right off with your finger and there you are—no more corns, and without danger. The corn is smooth and corn-free as your palm. Never happened before, did it? Guess not.
